

International Job Openings.

We have added a bulletin board of international job openings in our WalkBoard section. While our slogan is "Quit Your Job and Hit the Road," sometimes you need to "Quit Your Job, Hit the Road, Then Get a Job." Job openings are worldwide, with current postings in Germany, Costa Rica, Slovenia, Taiwan, Japan, and other countries. The Walkboard can be accessed by www.walkabouttravelgear.com/board.htm

Travel Tip: No More Spare Change.

Trying to balance having too much foreign currency on hand before leaving a country is easily remedied, especially if you are flying from your destination. Simply purchase a item in an airport shop, before going through immigration, for an amount exceeding the foreign currency you have on hand, and charge the remaining cost on a credit card. Thanks to Wayne Morris for the tip. The Walkabout Travel Tips can be accessed at www.walkabouttravelgear.com/tips.htm
